

Elev8 Brands, Inc. and 1 OAK Wholesale Come to Terms on Vape and Smoke Shop National Distribution Agreement

1 OAK Wholesale places first order of E-Juices and Tinctures to sell nationally

ROCKLEDGE, Fla., August 29th, 2017 (GLOBE NEWSWIRE) -- Elev8 Brands, Inc. (OTC Pink: VATE), a holding company focused on the commercial development of hemp and CBD-based products including hemp coffee, tea, and E-juices, which target the health and wellness markets, announces the company has come to distribution terms with 1 OAK Wholesale for CBD-infused E-Juices and Tinctures.

1 OAK Wholesale, found at www.1oakwholesale.com, is one of the largest wholesale distributors for vape and smoke shops serving over 1,000+ vape and smoke shops nationally. 1 OAK Wholesale provides turnkey products including electronic cigarettes (E-Cigs), E-Liquid, vaporizers and glass accessories.

Starting from a small location in Addison, IL, 1 OAK Wholesale recently expanded to a new 15,000 sq. ft. warehouse. Just this month, the company attended Vape World Expo in Miami, FL to support its' national growth initiatives. 1 OAK Wholesale boasts such competitive benefits as first order discounts, price matching and free shipping for over \$500 orders.

The majority of 1 OAK Wholesale's customers are vape and smoke shop owners located in the Greater Midwest where the Addison, IL showroom and warehouse is strategically located close to expressways. Vape store owners can network and mingle with other owners while stocking up on supplies for their stores.

Elev8 Hemp LLC, which is a wholly-owned subsidiary of Elev8 Brands, Inc. will provide the full line of CBD E-Juices and Tinctures to 1 OAK Wholesale for sale at vape and smoke shops across the country. Elev8 Hemp LLC products will be available onsite for sale at competitive prices and of the highest quality, Colorado grown, hemp-derived CBD. This is the first major order from 1 OAK Wholesale and the companies are working on expanded supplier agreements as the partnership launches.

In addition to expanding CBD products into national distribution with 1 OAK Wholesale the company believes product expansion will ideally suit distribution for Elev8 Hemp Coffee, CBD Coffee and the soon to be launch Elev8 Hemp Green and Black teas.

Elev8 Brands, Inc. Chief Executive Officer Ryan Medico stated, "This is a monumental step for our company that will significantly expand our product reach, distribution, sales and profits. Elev8 Brands is excited about taking the next step in our aggressive growth phase. I am also very excited for our sister company, Kona Gold Solutions (OTC Pink: KGKG), who has locked in their first order through 1 Oak Wholesaler as well. Our strategic alliance with Kona Gold has greatly increased our opportunities. By utilizing each other's resources, both companies benefited and secured distribution."
